## Lockdown Survey June/July 2020

We issued a survey to find out how people with learning disabilities

felt during lockdown,

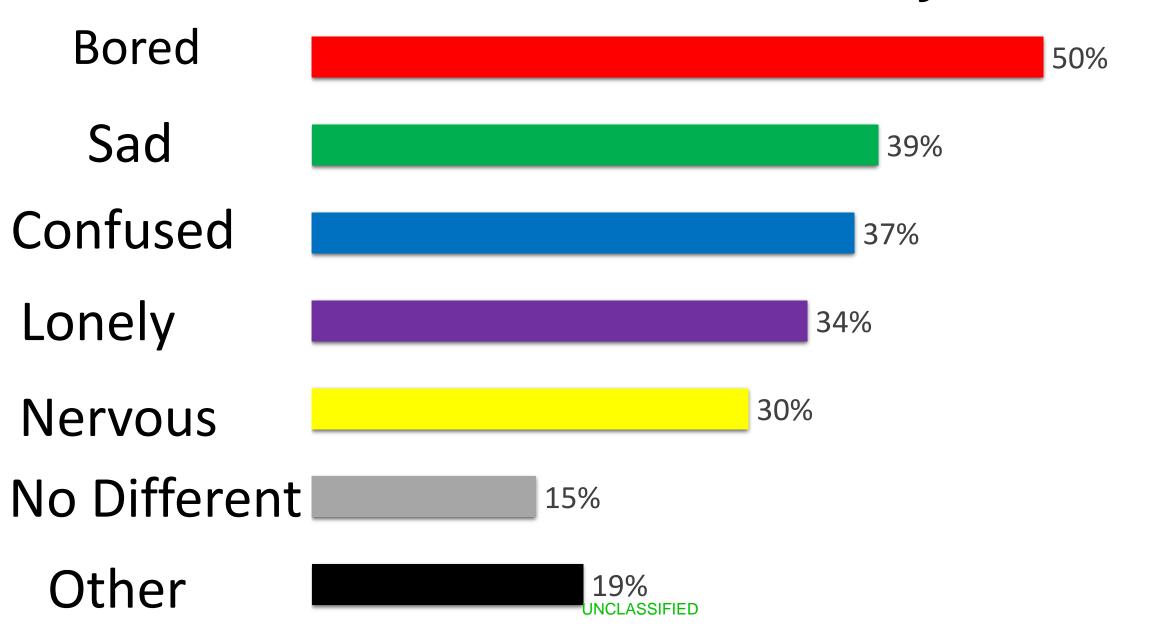

what activities they had done, and

what support they felt they needed in the future

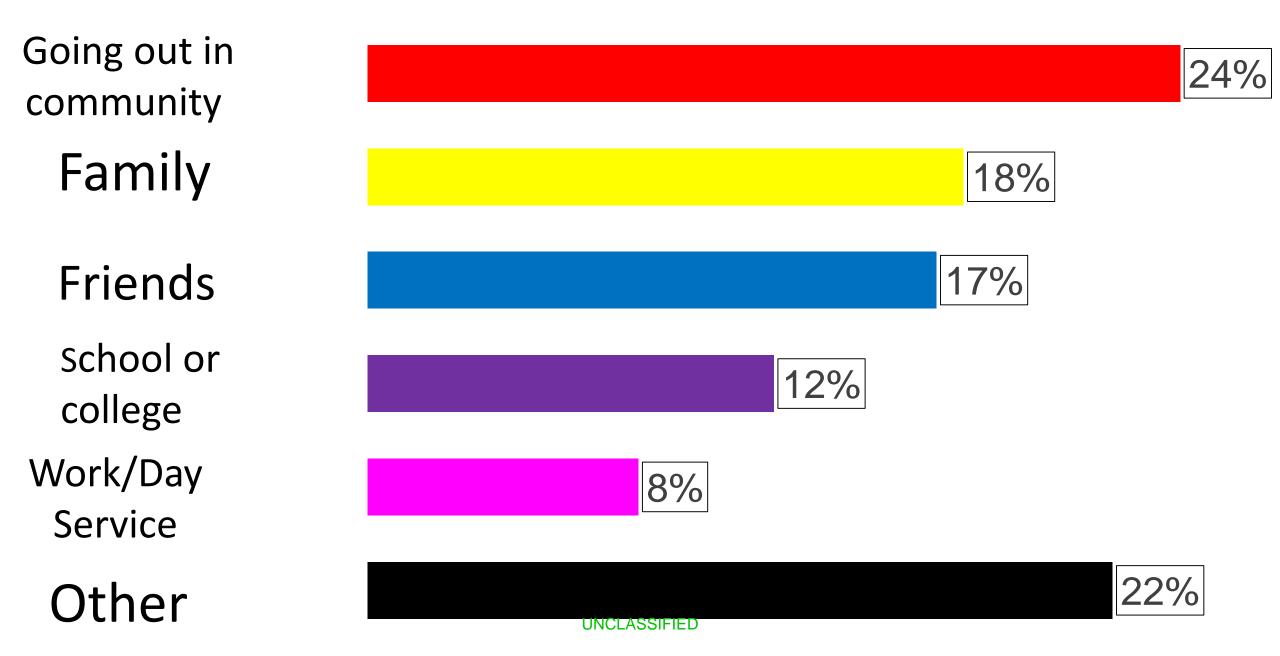

137 people completed the survey

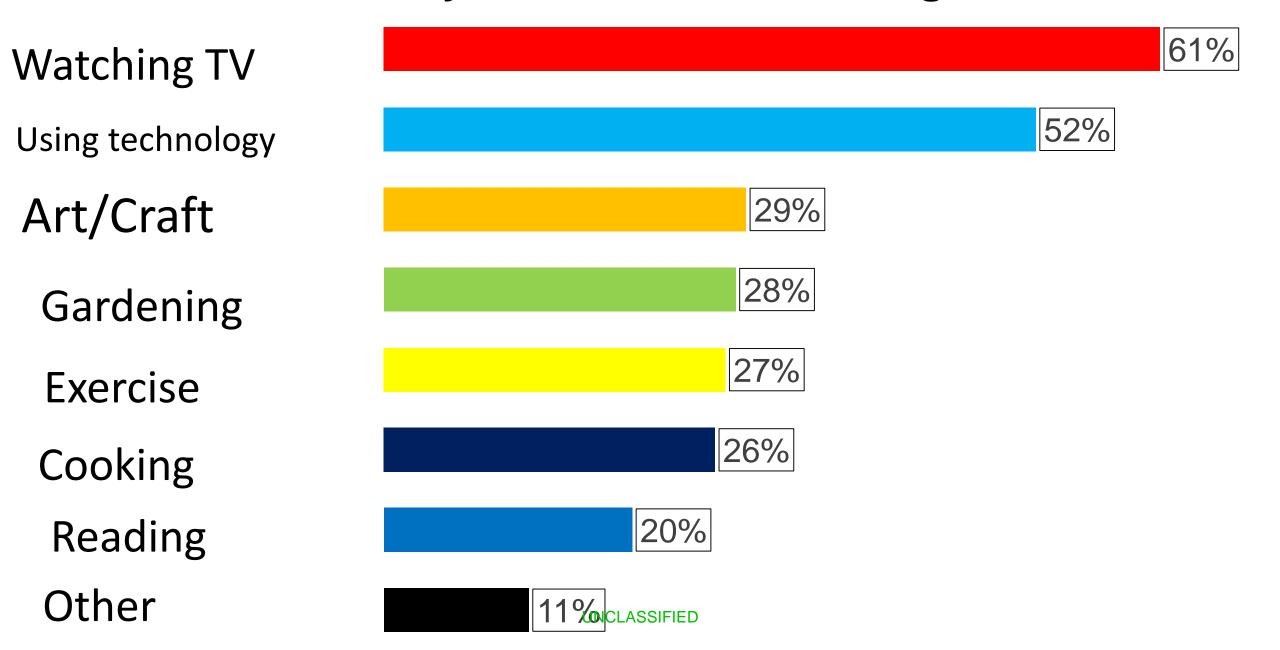

#### How has lockdown made you feel?

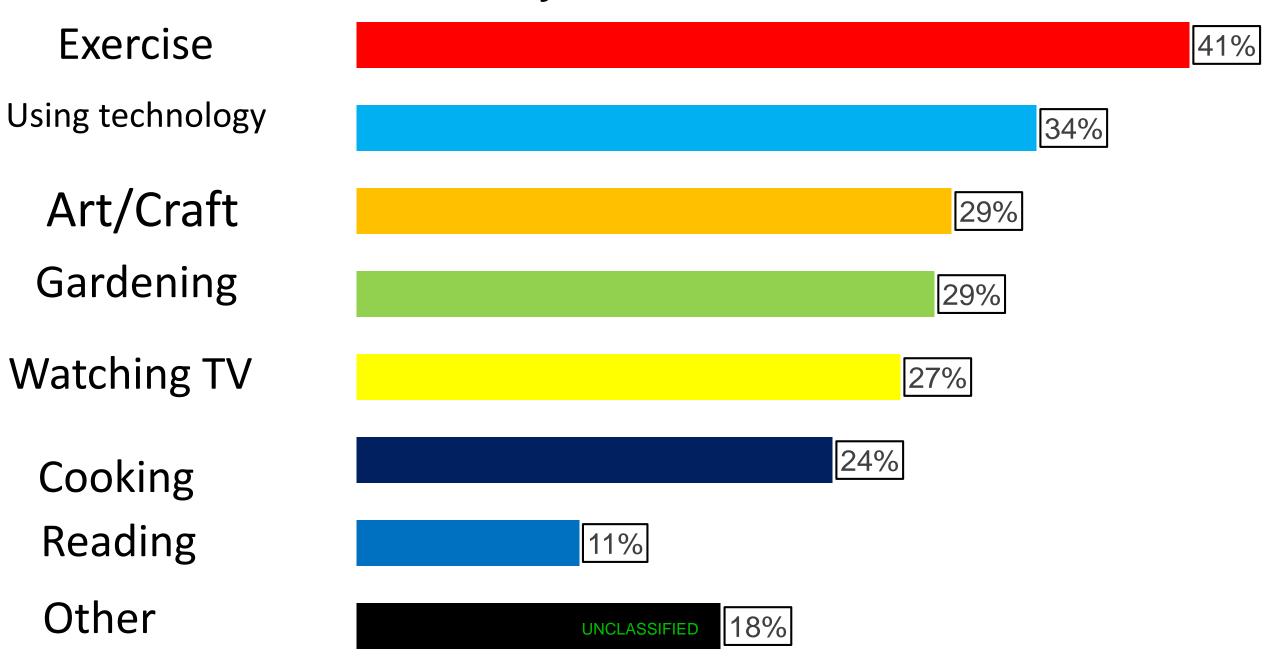

#### What have you missed most during lockdown?

#### What have you done more of during lockdown?

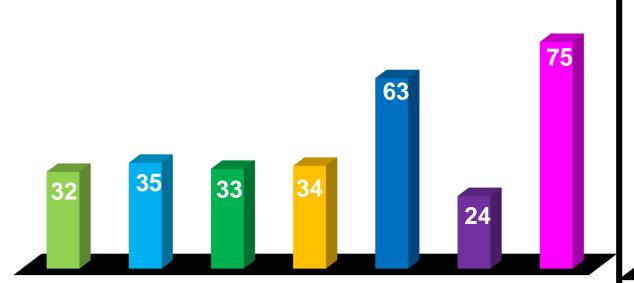

#### Which of these would you like to do more of in the future?

### Have you found it easy to understand coronavirus and the lockdown rules?

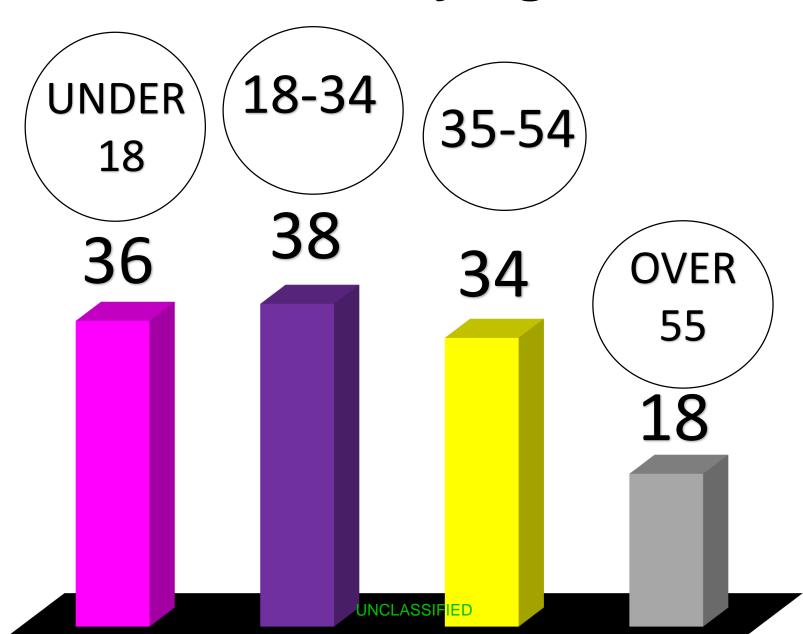

# Has coronavirus made you feel scared or nervous about going outside or going out in the community?

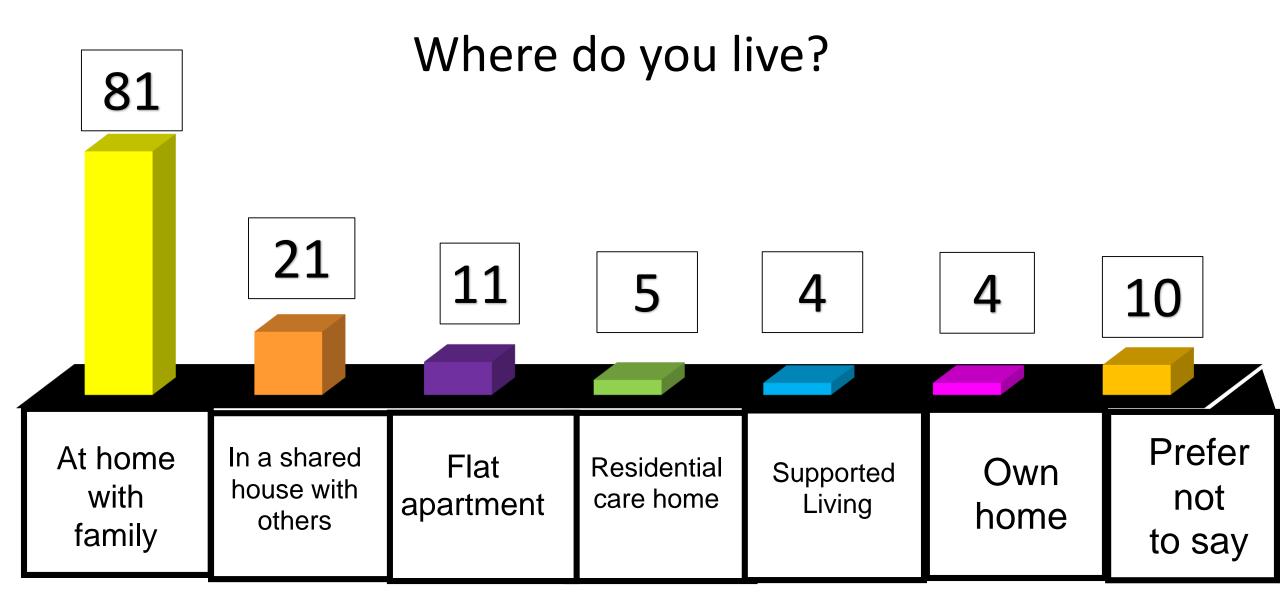

Do you think you will need extra support and help from family or support staff when you are able to go out more and visit places or friends again?

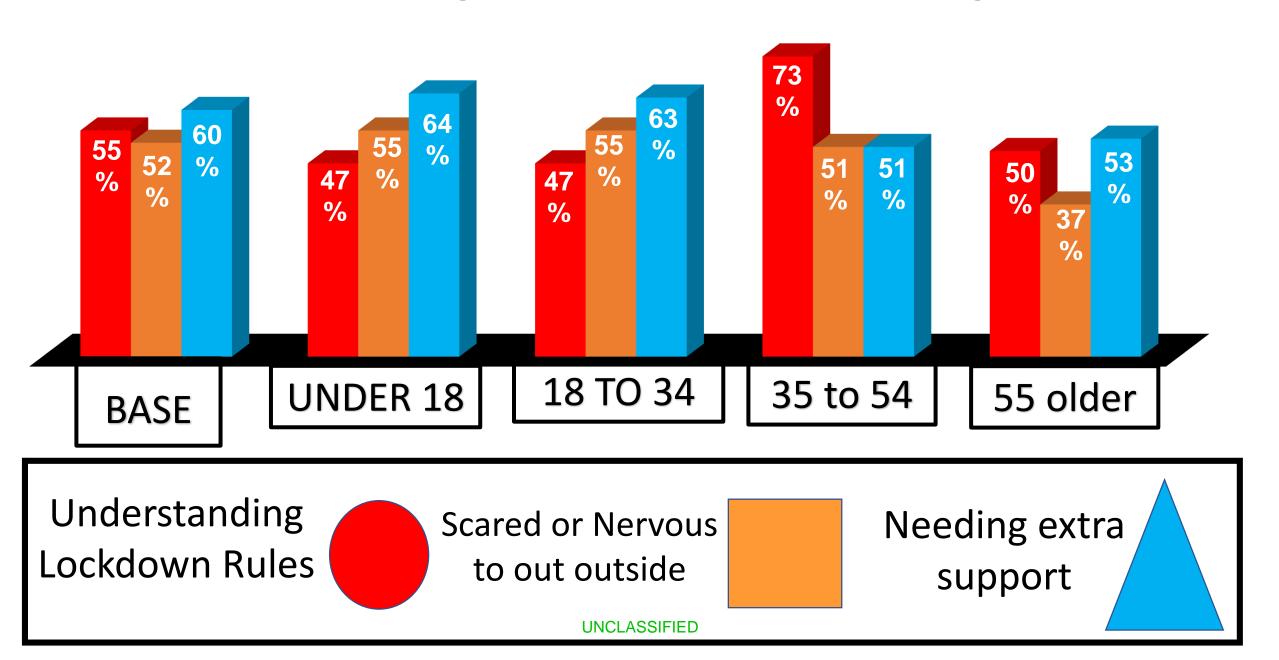

#### Results by Age

#### Percentage of respondents responding

"I have got less mobile and very unsteady on my feet due to not moving outside the home. Also, I am now very wary of surfaces and steps which I didn't have a problem with before."

"I have enjoyed spending time with my family during lockdown. Mum has let me do more cooking and was surprised at how good I was."

A big thank you to everyone for taking part in the Coronavirus Lockdown Survey
